Build a Battle Ship to Excel

the Dreadnought.

Providence (R. I.) Tribune:-"Although

Midnight Money in Chicago.

The plan of an all night bank meets with considerable favor in Chicago. It will overcast. The morning temperature was afford the man who acquires midnight noney an opportunity to put it in a safe place. This is very desirable in Chicago.—

Scranton Truth.

One year ago to-day the weather was overcast. The morning temperature was bringing a burden. When the time is ripe it would be well to institute a college presided over by men of letters, on whom should be placed the her straight and true, there is no reason ular intervals a list of words in approved.

land may be expected to come back with a correct spelling of a w battle ship larger than the American bat-meaning it is not unusu Congratulations in Order.

Philadelphia Press:-"It is a matter for pruned congratulation that America is to own the biggest battle ship affoat. This is true not for the mere sake of boasting, but the official edicts of the new not for the mere sake of boasting, but New York, March 29, 1906. because it represents a wise policy and ex-Costly Experiments.

To Excite Interest.

Economize Now. Boston Transcript:—The country is now very prosperous, and there is little disposition to count the cost of the fleet, but let a turn in our fortunes come, and we may see the naval appropriation cut so deeply as to force a condition of stagnation of developement."

Short Lived Supremney. Cleveland Plain Dealer: "Moreover, hese monsters are to become the propagation of the pro President Castro has named Senor Lopez Ships much faster than we do will speedily Baralt as Venezuelan Minister to Bogota.

Announcement at the Colombias Lorent Lopez Ships much faster than we do will speedily see and go us a little better; hence, the lived."

Americans Delighted.

Pittsburg Times:—"The launching of that auge and formidable ship has set all the great maritime Powers to thinking of competition, but the United States is the first to place the project fairly under way."

The United States Navy. No. 734 FIFTEENTH STREET, N. W., Washington, D. C., Friday.

Midshipman R. H. Brewer, of the fourth class of the Naval Academy, appointed from Delaware, has resigned from the Academy and his resignation has been accepted by Secretary Bomparte. The reason given is deficiency in studies.

Lieutenant Commander Frederick L. Chapin, who has been assistant chief of the Bureau of Navigation, will leave tomorrow for Newport News on this assignment as executive officer of the buttle ship Louisiana. It is not yet known who will succeed him.

It is now proposed by certain persons in Massachusetts to increase the item of Sing., 500 which the House Committee on Naval Affairs will recommend for repairing and reflitting the old frigate Constitution as a show salp to \$00,000, so that the vessel may be put in shape for sea sorvice.

To The Editor of the Henald.—In answer to your editorial

WANTS A COLLEGE

Correspondent Suggests Putting Orthographical Reform Into Hands of Court of Last Resort.

USE COMMON SENSE METHODS

The engagement is announced of Miss Proposes Putting Permanent Institution Margaret Dustan Griswold, daughter of Mr. J. Roe Griswold, to Dr. Lester Drummond Wise, of this city. and Earnest Scholars.

UNITED STATES TO THE EDITOR OF THE HERALD! I have read with deep interest an article written by Professor Brander Matthews, of One year ago yesterday the weather was Many Approvals of the Proposal to Columbia, on the proposed reformation in the spelling of certain words in the English language. Previous to perusal I had mentally condemned the proposition, but after

I trust, however, Professor Matthews will CLEAR IN BERLIN.

[SPECIAL CABLE TO THE HERALD.]

Why does the Republican County
Why? Committee wish to dispose of its
Parsbns? Is it past praying for?

Midnight Money in Chicago.

Providence (R. I.) Tribune:—"Although our people have always been at home on blue water and have taught the world something of fighting, we prefer peace to war. And one of the surest guarantees of grees Pahrenheit. At that time the barometer recorded 29.94 inches. not seriously advocate individual freedom

Britain can build a Dreadnought in less than a year, and at the same time 'build her straight and true,' there is no reason why Americans cannot do as well."

England Would Retaliate.

Louisville Times:—"If the United States is to go to work to build a battle ship larger than the Dreadnought, then England may be expected to come back with a correct spelling of a word or its precise in the same times."

PARADE THE WORK HORSES

"Pittsburg Despatch:—"It may be argued that if Great Britain and Japan can afford to make such costly experiments the United States can also, and that the decision of the committee is in line with the expert opinion of the three nations. Anyway, it seems settled."

To the Epiton of the Hemald:—

I heartily inderse the suggestion made your correspondents that New York have an annual horse parade, such as they have in Boston and Liverpool and London.

London. New Orleans Times-Democrat:—"It is to be hoped that Congress will adopt Mr. Roosevelt's idea of a battle ship to have a displacement of about twenty thousand tons and to be armed with twelve guns of 12-inch or greater callbre. Such a smp would be superior to anything now projected, and would excite an interest in the navy among all classes of the population."

Economize New.

G. FOSTER HOWELL. New York, March 29, 1906. AS TO SUSANNA.

TO THE EDITOR OF THE HERALD!-As to Susanna please permit me to set the "Veritas," "Jean" and "Maximus" on the right track as to this Susanna.

In the King James version the name only appears in St. Luke, viii., 3, but there is among the books which are termed the Apocrypha of the Old Testament by English speaking Protestants a book called "The History of Susanna," In this book we find related the story of this wom-

To the Editor of the Herald:

The Columbia has left Guantanamo for Hampton Roads; the Marcellus, Guantanamo for Tottugas, and the Yankton, the Uncas, the Leonidas, the Hopkins, the Lawrence, the MacDonough the Stewart, the Truxtun and the Worden Guantanamo for target grounds.

The Sloux is at Boston, the Callao at Canton and the Chio, the Wisconsin and the Chicord at Shanghal.

The Nanshan has been placed out of service at Cavité.

NAYY NOTES.

To the Editor of the Herald:

I see one Frank P, Hill, of the Brooklyn Libraries, thinks that some of Mark Twain's books are not fit for children to the Truxtun and the Worden Guantanamo for target grounds.

The Sloux is at Boston, the Callao at Canton and the Chio, the Wisconsin and the Concord at Shanghal.

The Nanshan has been placed out of service at Cavité.

NAYY NOTES.

Midshipman R. H. Brewer, of the fourth
